Biden defeats Trump in an election he made about character of the nation and the President

Source

3(CNN)America has chosen Democrat Joe Biden as its 46th president, CNN projects, turning at a time of national crisis to a man whose character was forged by aching personal tragedy and who is pledging to restore calm and truth after Donald Trump's exhausting and manic single term. In a victory speech Saturday night in his hometown of Wilmington, Delaware, Biden said he was humbled by the trust America had placed in him and reached out to those Americans who did not vote for him. "I understand the disappointment tonight. I've lost a couple of times myself. But now, let's give each other a chance," Biden said. "This is the time to heal in America." California Sen. Kamala Harris, his running mate, who will make history as the first woman...
